Style

Werner's ORIGINAL LoftCube, the ultimate single cube offering everything you need to live. The space is big enough to incorporate a generous living and sleeping area besides a comfortable kitchen and bath section.

Using the open space principle of enabling the different areas to flow seamlessly into one another, allows for a free design based on your ideas. The cube can be used as a weekend hide away, an exclusive hotel suite, a flashy sales office or a unique shop.

Feel at home wherever you are – enjoy life with your friends. Your home in a backpack.
